Dear Administrators:

Universal Athletic Services, Inc. is very proud to announce our annual scholarship, made available to an outstanding male and female student athlete in Montana.

We have always taken a great deal of pride in being a Montana company and want to continue to support Montana schools and their young people in the best ways that we know how. Universal is deeply appreciative of the loyalty shown to our company by the schools and hope that we continue to deserve their business with good service and quality products.

The two scholarships will each be in the amount of $1,000 to a male and female for one year, to be used at a Montana college or university. We want the applicants to be quality young people that have made your school proud and need additional funds to go on to college. We will not consider those students who have already earned a full athletic or scholastic scholarship. Those students with plans to enter the field of education will be given special attention as we would like to encourage outstanding people to enter the teaching and possibly coaching profession. A list of criteria accompanies this letter, and if you should need any additional application forms, you will find it on our website at www.universalathletic.com. Remember the applications must be post-marked by June 3, 2019.

Sincerely,
Greg Miller
President
